Recommendation forms must be mailed to applicant in a sealed envelope with recommender’s name signed across the back. These forms are to be submitted with the rest of the admissions required information. Recommendations should be completed by a pharmacist or science/math professor.
- If not currently enrolled in school, a Personal Growth Letter indicating current activities.
- If a pharmacy school/college has been attended, a letter of recommendation from the Dean of the school/college of pharmacy indicating your status in that pharmacy program.

Additional Information (if applicable):

- Spring transcript due by May 31st, 2018.
- Summer transcript due the Friday before New Student Orientation (date will vary each year).

A minimum 2.75 GPA (based on 4.00 scale) is required for consideration with a “C” grade or better in all transferable coursework. Please be advised that the completion of the suggested prerequisite courses does not guarantee admission to the School of Pharmacy. Please be advised also that failure to accurately, completely and truthfully execute the application for admission or the omission of any information may result in the cancellation of admission and/or the dismissal from the School of Pharmacy. An interview is required for admission. The most competitive applicants will be invited for an interview. Completion of an application and meeting requirements do not guarantee an interview or admission. The School of Pharmacy has received Full Accreditation status by the Accreditation Council for Pharmacy Education (ACPE), the body that accredits Schools and Colleges of Pharmacy in the United States.
